## Individual and Mixed Teams - Budapest, Hungary

**Marius L. VIZER**  
IJF President

@MariusVizer

Dear ladies and gentlemen

it is a pleasure to welcome the judo family to Hungary for the World Judo Championships 2017.

Budapest is also home to the IJF Presidential Office and has opened its arms on many occasions to the international judo family and has long embraced our sport.

The World Championships is a festival of judo and the showpiece event of the IJF World Judo Tour.

I thank the Hungarian Judo Association and its President Dr. Tóth László for his support of the IJF and hosting key events with such ambition and determination.

It is a pleasure for the IJF to stage the Worlds in Hungary for the first time. I believe that this event will provide an excellent opportunity for the promotion of judo in Hungary and for showcasing the performances of the best Hungarian judoka.

We are confident of a fantastic competition and I wish good luck to the organisers, judoka, coaches, media, volunteers and everyone present at #JudoWorlds2017

# August 28 - September 03, 2017

**Dr. László Tóth**  
President  
Hungarian Judo  
Association

Dear Judo Friends,

On behalf of the Hungarian Judo Association, I would like to welcome each of you to the 2017 Judo World Championship and the Ordinary Congress of IJF. We can be proud that Hungary has successfully organised many championships, but this year the most prestigious event, the World Championship takes place in Budapest.

Over the years, there have been numerous goals in Hungarian Judo, several medals were collected by our World and European Champions. Five years ago, Hungary was given the honour of hosting the Ordinary Congress of European Judo Union and the European Judo Championship in 2013.

The Hungarian Government has also noticed the success of Hungarian Judo and thanks to this attraction the government has launched a very important support within the framework of Hungarian Judo Sports Development Program. Several results are already enjoyable by number of athletes and more and more modern sport center was built in the near past and further centers are waiting for drafting and establishing. Furthermore, we could strengthen the professional basis and number of athletes has doubled. Today, judo is available in all region of our country, but our aim is to enhance this productivity and with our help more and more Hungarian children may get opportunity to make judo sport greater.

Our prominent athletes and heroes – whoes achievements, attitudes, successes set role models for children – are given a great opportunity to show their home why they worked and struggled for years or decades.

The World Championship in Budapest will be a great celebration for sport loving Hungarians, because the best athletes of the judo will be fighting on the tatamis. In addition, we can give all our guests from abroad a warm welcome and show that humility and devotion are the key points to create the most appropriate conditions for the World Championship.

I would like to give much thanks to the volunteers, sponsors and partners, IJF members and staff of Hungarian Judo Association for countless hours of preparation, which makes this event very special.

In closing, I wish each of you an unforgettable and very spectacular competition. Good luck for all of us!
